Treasurer report tabled and accepted.

J Barrett.

- Lead collection device trial unit has been completed. Next is to design and test the capture method.
- Will get the part numbers for the water filters to be replaced
- Need to look into Red flag location due to being hidden by the tree (corner of clubroom or front corner of target prep area suggested. Or prune tree).

R Loebler.

- Sport&Rec grant for air targets to be finalised as it was not completed correctly previously. Invoice to be found and given to RL.
- Spare air target sensor to be purchased by RL.
- G Cooper to sort added air target protection.
- Disabled parking proposed between clubhouse and front corner of target prep area. 1st RL, 2nd MT. Unanimously passed. GC to put up signage.

Proposal for Ransom rest proposed, M Teal, 2nd R Loebler, passed unanimously.

G Cooper, Captains report. No response from SPC regarding George Lang after sending to all possible emails on SPC website.
