Presidents Report

Thank you all for an excellent turnout and hope all enjoyed the mornings shoot and BBQ

Another Successful year several members travelling away to comps, and the juniors also representing the club well.

The committee has continued with hosting more sanctioned shoots

Captain Graeme cooper continued with a great job, supporting on Wednesday nights and Running comps

We again hosted the Biggest Morning Tea collecting \$1600 for the Cancer Council, Thanks to Jodie for her work with this.

During the year hosting CMPC matches and another later in October this year,

Inaugural Memorial comp huge success and Air still shooting at 7pm that night

The Badcoe again with another great rollup

Club Championships run and won, and the process will be refined even more for next year

Improvements include

Lead Collection traps/plates and will continue with the 50K Grant received this year

Air Pistol software upgrade, new screens on targets, painting, Thank you Jesse, electrical work and new chairs.

New toilet block to be installed with showers

Range 1 New valves for turning targets

New Timers in all ranges,

Purchase of D Lead soap addressing the health issue of lead contamination

Bulk purchase of ammunition keeping prices down for members

Accessibility ramps planned for this year, and rubbish cleanup continues.

New shirt design finalised, thank you for all input and Thanks to Rick for his work in adding those comments into the design. Shirts have a cost of \$44 each. The committee has agreed to subsidise the cost of shirts for initial purchase. once of cost of \$20 to members.

On the calendar already we have Grass roots training in October, CMPC match in October.

The Badcoe in February and a GOTIT weekend in March

All events require the support of members

Range Officers, Patchers, Callers, Cooks, Kitchen hands. A lot of work happens around the club take note and thank those who do some of it. Things like the paper towels in the toilets don't just refill themselves. If you are aware of something, let a committee member know or something simple address it yourself we all own the club.

Membership continues to grow 204-227 last year, 227-262 this year with 8 members retiring or transferring

As always not accepting every application for membership, we discuss what type of shooting someone wishes to do and if it is not within our scope, we recommend other clubs more suitable.

Wednesday night air still very busy

Acknowledge the Committee and their efforts. without these members club could not function or exist

Thank you
