Presidents report

New setup for online meeting works well, New PC purchased for club, investigate a secure backup procedure. Thank you for great attendance at working bee and Badcoe another success, we should run as a sanctioned event for 2027.

Captain.

Badcoe 50 entry's, best in many years, all favourable comments on how well run. New Badcoe board looks great. Will purchase new cash register as old one not working. Waiting on quote for kitchen update, to include new bench top all around and new drawers and cupboard door upgrades. Will get price on air range tops also.

Around the table

John S, good turn out by members at Sydney Pistol club we had 8 in attendance they only had 30 entry's all up.

Terri. We are in the TPA national club championships. Teams to be announced. TPA supply all cameras and equipment. They happy for us to use electronic targets. Could we investigate having our security cameras monitor carpark and visible on TV in air range for after hours attending. Also, a door lock on air range door similar to range doors RL will look into an app for safe zone.

DM, could we look at a frame for air pistol paper target for training,

Rick L Grant for LCD has been extended to 31st May

We have been approved for another \$50 k grant. This is to install 10 moveable targets in Range 1 for service pistol, as a part of this grant the club has approved the club contribution will be \$25,000 in conjunction with this grant. Rick to contact the supplier and start proceedings for purchase and advice on work required. Work will commence directly after May CMPC comp Ricks Project

JR recent attendance at Glenn Innes, came home with 3 trophies for 3 matches.

G Locke quote for repairs to air pistol floor and new rubber matting. we will investigate options on repair to one section only and new rubber to make it all level, waiting on another quote for roof to R2/R3 similar to R1 and solid enough to walk on, guttering to be included

JB all good

JW all good

BM (B2) congratulations to rick on another successful grant application

Secretary. Badcoe thanks again for all support, great to see the new shirts. We will look at sanctioning the individual portion of the event. we have been quoted \$2470 for supply of pa/sound system in ranges. Install approx. \$2000. Motion to purchase system unanimous. CZ to organise. Carpark tidy up continues old container to go to scrap, GL to call scrap company. Will have Boris move his container to beside cool room HPC will bring their site shed in 2 weeks.
