Acceptance Previous Minutes: J Robertson sec G Cooper

Matters arising previous minutes. G Locke still nothing more on roofing for ranges.

Treasurer submitted account balances.

Society acct \$66310.71

Member fees acct \$48,399.01

Term Deposit \$123988.89

Total \$238698.61

Out Going Capitation to NSWAPA \$26299.50

Income from CMPC comp \$1089.19

Discussion regarding Treasurer report to be more informative on income and expenditure, as a profit and loss statement not only account balances as presented. To be raised with Chris

Reports around table

President. CMPC comp well attended handrails on ramps looking great thanks to Gary and Dave Punton, MT will bring in personal excavator to work on range 3 excavation in prep for LCD installation

JB LCD range 2 complete, looking to prefabricate frames for range 3. agreed roofing can be a part of LCD grant. investigating spiral tube for base of LCD and trailing rubber media in base, John absent from 15th Nov to 6th Dec, apology for missing next meeting

Captain CMPC comp 50 entries, 74 matches held. 1 from Cairns on holidays. It was great to have new helpers attend and support over 2 days, members that have never been to comps previously. Was a late finish but everyone very pleased. 2 judges on hand, gifts purchased for judges. Looked at price for catering can get spit roast from \$17/ head based on 30-50 meals.

Badcoe board to be replaced, have new sign recreated in the traditional script

JR, can we organise music on ranges during comps .and raised concerns over RO officiating 1 event. EGM at end of month who will be delegates.

Tere V: For competition create roster of workers for each range, call on competitors to do more . Discussion followed some visitors do help, however can be difficult as they may go from one match to another. and often leave straight after competing. Make attending comps a part of new member induction.

Can we investigate lighting in air range it is too bright. CZ to purchase light meter.

Also investigate requirements for tier 1 and 2 events. CZ had enquired and advised by NSWAPA there is no such thing as a tier 2 event. Further investigating is tiers 1 and 2 do exist and we will look into requirements DM: what is required to run a mixed comp event, would this be something we could add to comps.

JB Backup battery for Wi-Fi has failed, we could have electrical concerns as now 2-3 battery failures, suggested we investigate power surges

RL. Has created link to now view air pistol scores live in clubhouse and target area TV. Rick to investigate a new TV to be mounted in air range area

Input requested for what to apply for in grant received no replies. Grant application due 17th Nov. Discussion followed on suggestion to apply for grant to upgrade range 1 with moveable targets suitable for ISSF/PA & Wa1500 matches. Unanimous agree for Rick to write up grant with that as submission. Requirement for club to contribute own funds to Grant as with previous LCD grant. RL suggest we advise club will add own funds of \$25000 to grant application. Motion moved as such : Unanimous approved Rick to Submit and advise

GL Collectors club not held due to CMPC comp. It was agreed collectors club to proceed regardless of club events. if a comp on visitors would see more of our clubs' activities.

JS Member inquiring on what plans in place to tidy up concrete and rubble pile. Reply CZ has quote for skip bin

DM Disappointment with SISC, should we take on some more events, workers are our biggest concern, can we get a new speaker for meetings, Will we be holding a thank you BBQ, event as suggested. All agreed we should however, not at this stage.

BM. all good.

CZ New range orders posted on wall. HPC agreement sent out. Potentially start Jan./ They will bring trailer for storage on to site in December. Carl to contact signwriter and have heading for Badcoe created. look into Blackboards. White board dismissed due to cleaning once written on for long time. Look into requirements on tier 2 events and catering for comps

Meeting closed 8.40

Next meeting Dec 3rd
