Reports

President: Chris King will be stepping down as treasurer. T Villada assistant treasurer will take on the role. Teresita will attend bank to be added to nominated persons. Roler doors to range could they be looked into becoming electric, getting too difficult for older members to open. GC will investigate

G Locke, Another roof quote \$89,000. will not proceed, Collectors club had good turnout and club had excellent writeup in focus mag

G Cooper. waiting on second quote for kitchen upgrade, Air range bench top approx. \$5k will investigate other options. New cash register in place, Deck for front of shower block arranged. Gary Costa to co-ordinate the work. May Comp 8 entry's so far

R Loebler. Order placed for moveable target frames 2 Frames as per Grant and 2 frames to be from club funds, Waiting on quotes for concrete and associated work. Proceeding with XERO accounting package, Rick and Tere entering information, Bank information automatic and can display current balances example given. whilst we have over \$200k in funds there is already a commitment of \$125k allocated from grant monies and club funds, leaving only approx. \$80k available for any other works/maintenance etc

J Barrett. Could we make email communication clearer? Email regarding range 1 spend was not clear on where the funds would be coming from. Range 3 still requires additional earthworks. John to call landscapers. Call also to go out to club members Frames have been built, trap part of project continues. Shade cloth colours discussed, agreed any colour suitable.

J Robertson. BBQ some screws loose could it be checked? Could we investigate a card reader for club entry. C Zammit will investigate. Is it possible to add another night for air as Wednesdays filling up. Yes, all agreed if someone is prepared to take it on Tere and Jenny will come up with plan

T Villada TPA championships planning going well. 1st match planned for 26th April. Trophy mart supplying trophies our team consists of Austin, Tatiana, Jodie and Darren, Reserves Andrew and Tere., could we add to working bee slash grass near gate. new surrounds for air targets required, TV advised we have, she will coordinate fitting them

J Stokes, looking into base for poles in carpark, could we use a Vac cleaner for lead collection, Remote on range 3 faulty again,

C Zammit. have committee agree to and appoint someone / working group to inspect and report on ability access, such as access to amenities, step downs into range, level discrepancies presenting trip hazards, limited space for wheelchair access. investigate options and obtain quotes where necessary. All agreed. J Watson agreed to take on task will head up the topic with

any support he requires. Add to Committee the authority to seek quotes on works / maintenance without committing the club to any expenditure, raised by C King as a concern we are getting quotes without committee approval to get a quote, all agreed. Range 1 LCD manufacture proceeding. Work will start following May CMPC new door and lock purchased for air range, Bill Bullock requested to install , will do when time available

J. Watson Happy to help with creating a procedure for safe lead removal.

D. Mobbs all good. Looking forward to TP matches.

B Mackinder all good

Austin Villada entered as guest and addressed meeting thanking the committee and the club for their support with expenses attending Institute of sport.

Meeting closed 8.15
