Matters arising from minutes, Plans for CMPC comp 16/17 advise all entrants event will be Saturday only

Reports,

G Cooper, additional quote for kitchen and air benches, similar price to previous, we will hold off and look further into options at this stage. Quotes in for new and electric roller doors to range and canteen window \$4595, will hold at present till other projects completed, Deck for toilet block to be installed in coming weeks,

J Barrett, Quote for Range 2 earthworks for LCD install. discussion and all agreed too expensive, will investigate other options. Agreed design is to follow the initial design of angle to ensure it works correctly.

J Robertson could first aid kits be investigated if in date and has needed supplies. Justin Watson has agreed to undertake audit and update as required, Range 1 has had cases not swept up , remind members to do. Targets being left unpatched, do we need new red flags? 1 at end of range 1 very faded. Look into replacing or just remove it. Jenny and Tere to advise dates / Tuesdays for Air pistol openings.

G Locke Collectors club moved to last Sunday of month to follow Sunday matches 12pm, Oxy cylinders organised for working bee, Quote for roofing material \$17K with us to erect. we will wait until other projects completed

M Teal Range 1 work will commence following weekend comp. Working bee tasks, R1 remove targets and baffle, Power poles onto base, Steel fabrication ordered for Range 1 to be installed week of 18-19 May, followed by Range 3

R Loebler targets equipment ordered for R1 Deliver 4 weeks, investigate training for XERO for Tere and Rick, suggest we start meetings with Treasurer report giving a better understanding of club's financial position considering Funds allocated for projects.

T Villada Xero now shows all transactions. the benefit will be in a better understanding of where our spending is and considering funds allocated to projects, better visual of actual funds available for additional projects or requirements. Frames on air targets replaced by Austin. TPA club championship event went well. no dates yet for next event. We may need a new red flag for air range door, CZ will organise

Treasurers report tabled and accepted Quite in depth

C Zammit. All committee members will have their fees /capitation paid by the club. All committee members put in 10-11 meetings a year, along with 12 rostered RO days and attend work at competitions and working bees. A number of members exceed this. All agreed, add to by laws and make note to advise members at the AGM. Prospective committee members to understand the expectations of the role

Special Mention and accolades to the LCD team on the completion of Range 2.
Ranges 1, 3 and 4 to be undertaken by contractors overseen by CZ.
